Greg Hansen

The team elected Jimmy Arnold and Greg Hansen captains of the 1964 varsity. They were both representative of the team as Greg was an all-district end, and Jimmy made the all-city team as a tackle.

"I wish my blocking were always this good," says Steve Seiler, as he racks up one of Heights' 13 first downs

HEIGHTS SMOTHERS FOX TECH 23-0

Senior Quarterback Pat Bailey, who connected on six of nine passes for 109 yards and three touchdowns, and Steve Seiler, who returned from New York recently to lead the Heights' ground attack with 87 yards on 10 carries, were offensive standouts in the Mules' impressive victory over the Fox Tech Buffaloes.

Bailey's first touchdown pass was a 22 yarder to Steve Seiler, who also ran for the two extra points. The next touchdown came on a 44 yard bomb from Bailey to Greg Hansen. The extra points resulted when Kent Lucas pounced on the ball in the end zone. The final six points resulted from a Bailey to Greg Hansen spiral, for 13 yards. Heights' defense, led by Jim Arnold, James Yancy, and Graham Montgomery, was outstanding in holding the Buffaloes to only 9 first downs and a - 3 yards passing

MILLER WHIPS MULES 29-14

Corpus Christi Miller overcame the stubborn Mule defense in the third period, as they scored three times, to hand Alamo Heights their first defeat of the season.

The Mules took the opening kickoff and, after a series of setbacks, went in to score. This drive was highlighted by a 43 yard pass from Pat Bailey to Steve Seiler. On the next play Graham Montgomery swept left end for the six points. Heights held the score at 6-0 for the remainder of the period.

In the second quarter, Miller moved 78 yards to the Alamo Heights' one yard line, where the noteworthy Mule defense proved itself by holding the Buccaneers. Unfortunately, the Mules' offense fumbled on their first play which resulted in six points for Miller. The try for points was good, and Miller led 8 to 6.

Miller scored three times in the third period to take a 29 to 6 lead.

Alamo Heights provided most of the action in the final period, as lineman Kent Lucas recovered a fumble on the Miller 40 yard line, Pat Bailey and Steve Seiler combined for a spectacular touchdown run. As Bailey rolled out around right end, he became trapped on the 30 yard, but kept the play alive by lateraling to Seiler, who outran two Miller defenders to the goal line. Wingback Joe Dennis scored the two points.

The Mules were led in their valiant effort by Bailey, who completed 5 of 20 passes for 90 yards and Seiler, who rushed for 60 yards in 9 carries.

This heartbreaking defeat left the Mules with a 1 and 1 record for pre-district play.

Joe Dennis spears a Bailey pass on a third down play.

REBELS OUT SCORE MULES

Austin Travis handed the Mules their second defeat 20 to 6 in a non-district tilt at Alamo Heights field. Steve Seiler was the Mules' leading ground gainer with 95 yards while Bobby Sanders of Travis had 93 yards.

The first and only score for Heights was a short look-in pass from Pat Bailey to end Greg Hansen. The try for the extra point failed. Heights' only other threat was a 46 yard drive to the Travis 9 yard line

before penalties pushed the Mules back to the 25 yard line where the drive ended.

Travis scored on drives of 53, 25, and 75 yards with Sanders scoring 14 of the 20 points.

Pat Bailey joined Seiler and the Alamo Heights defense as standouts in the defeat. He completed 6 of 16 passes for 91 yards and one touchdown.

The Mules' defense, regardless of the defeat, did a fine job and allowed Travis only 6 first downs.

"Look out Kent!" says Steve Seiler, 29, as he spins through the Travis line.

MULES EDGE BRYAN

Alamo Heights evened their season record at 2 wins and 2 losses with a non-district victory over Bryan High School. Although the score did not show it, the Mules dominated the game and showed only a weakness in scoring ability.

The Mules' defense, led by Barry Holleron, Jim Arnold, Kent Lucas, Bill Moore, and Mac Sykes, was spectacular in holding Bryan to only three first downs, 21 yards rushing, and one penetration beyond the 50, while James Raley, Greg Hansen, Graham Montgomery, Tom Baker, Duane Lardon, and Tony Arevalo held the Broncos to 42 yards in the air.

Heights' offense, paced by the arm of Pat Bailey, the running of Steve Seiler, and some fine blocking by Montgomery, Greg Jones and Bob Bourgeois,

was no less than outstanding as Bailey completed 9 of 16 passes; 5 to Hansen, and Seiler ran up a total of 103 yards rushing on 26 carries. Montgomery, Arevalo, and Johnny Kothmann also outgained the whole Bryan team with 37, 35 and 25 yards respectively.

The Mules took the opening kickoff from their own 39 to the Bryan 10 before they were held on downs. Heights began their next drive on the Bronco 49. This drive began in the first quarter and terminated in the second with a nine yard touchdown pass to Greg Hansen, which proved to be the winning score. The extra-point kick was wide.

The Mules' Red team, led by Kothmann, who had 25 yards on 2 carries, looked very good on offense and defense and proved they will be valuable in the future.

Graham Montgomery snags a Bailey aerial for a sizable gain.

MULES THROW COWBOYS

14-6

Alamo Heights rounded their pre-district season by defeating the previously unbeaten McCollum Cowboys.

McCollum found pay dirt first with a 29 yard pass from Quarterback McCoy to end Floyd McKeazie. The try for point was wide and Heights trailed 6 to 0.

The Mules fired right back, taking the kickoff and marching 61 yards, with Graham Montgomery scoring the touchdown.

Heights came out on the field at the beginning of the second half with victory in their eyes, thus setting up the momentum for their second score. The touchdown came on a 73 yard drive in the third period to round out the Mules' scoring. The big play of this drive was a 50 yard pass from Pat Bailey to Graham Montgomery, who worked his way to the Cowboys' 17 yard line. Bailey went over on a keeper, and Steve Seiler leaped over for the two bonus points.

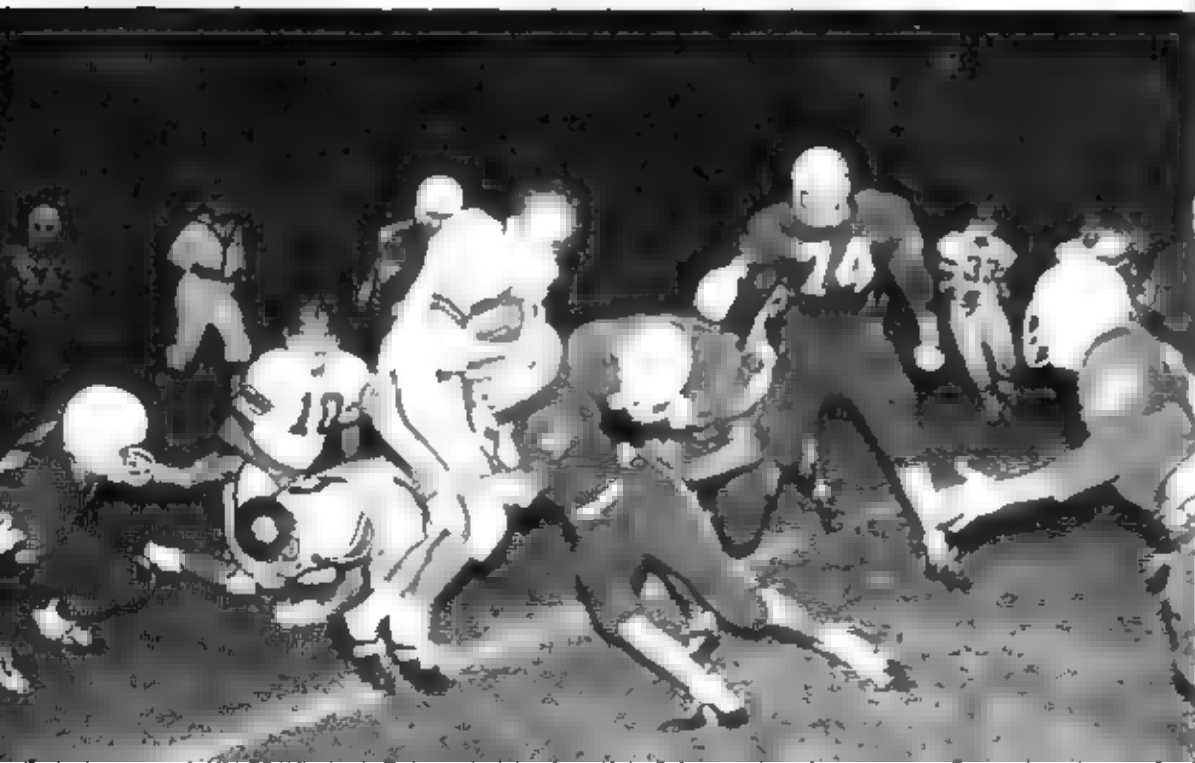

Alamo Heights' offense was sparked by the running of Steve Seiler, who rushed for 113 yards on 15 carries, and the passing of Bailey, who completed 4 of 6 passes for 68 yards.

Tom Baker, Mac Sykes, Barry Holleron and Montgomery were standouts in the Mules' defense.

The victory left the Mules with 3 wins and 2 losses in non-district games.

OWLS BLANK HEIGHTS 13-0

Alamo Heights opened their district campaign with a 13 to 0 defeat to Highlands

It was evident that Highlands eyed the district crown as they took the opening kickoff and drove 70 yards in 13 plays to a score. James Armstrong, who scored the touchdown, kicked the extra point and Highlands led 7 to 0

There was little excitement until the final quarter, when Highlands, playing on the Mules' mistakes, scored on an 11 yard pass from Quarterback Alvarez to End Hasson.

Duane Lardon, replacing injured Pat Bailey, played a brilliant game, completing 7 of 12 passes for 77 yards.

Jim Arnold, Tony Arevalo, Barry Holleron, Graham Montgomery, Chuck Converse, and Greg Hansen led the Mules' defense, which held the Owls to 9 first downs and 11 yards passing.

MULES DEVASTATE MUSTANGS

It took 17 years, but a fired up group of boys known as the Alamo Heights defense finally beat Jefferson by a score of 2 to 0. A crowd of over 6000 watched Coach Jim Nelson's Mules, on Homecoming weekend, completely outplay the battered Ponies and even their district record at 1 win and 1 loss.

It was ironic, but fortunate for the Mules, that the Mustangs' one strong point in the game was the cause of their defeat. Time and again Jeff, on the punting of Jimmy Sherrod, had been forcing Heights deep in their own territory, but in the third period an errant center over Sherrod's head sent the ball tumbling into the end zone. He picked up the ball, but took one look at the blitzing Mule linemen and decided to give them two points by kneeling it rather than attempting to run it out and possibly give them excellent field position for six points.

Alamo Heights' fans were not dismayed by the low score, for it was evident to any observer of the game that it was not that close. One Mule touchdown was called back, and they reached the Jefferson 9, 15, and 12 yard line at other times during the game, while allowing the Ponies to penetrate no further than the 39 yard line.

It was key defensive work by such players as

Tom Baker, Jim Arnold, Kent Lucas, Barry Holler, Johnny Kothmann, James Yancey, Mac Sykes, Tony Arevalo, and Graham Montgomery that won for the Mules. Other defensive stalwarts were Jimmy Longacre, Joe Dennis, Dain Higdon, Stuart Vexler, Greg Hansen, and Jan Jernberg.

Graham Montgomery dropped back to punt on the 50 yard line during the second quarter, but rather than kick he tucked the ball under his arm, evaded two tacklers and raced into the end zone for an apparent touchdown, but the Mules had been a little over-anxious to start the play and it was called back.

That was just one of 14 penalties called as the officials had a 144 yard night. The great rivalry between these two teams was obvious. Three players were removed from the game, including end Greg Hansen.

A 50 yard screen pass from Duane Lardon to Steve Seiler set the Mules up on the Jefferson 9 yard line, but an intercepted pass stopped the drive as the half ended.

Sophomore Gerald Stone, the leading rusher with 78 yards on 13 carries, led a Mule drive to the 1 yard line, but a penalty nullified the threat.

Tony Arevalo, 33, breaks free from a Jefferson tackler and picks up a first down with yards to spare, as Steve Seiler blocks.

"Say boys, how about a little help?" says Duane Lardon, as he fades back to pass and is trapped behind the line.

Tom Baker and Tony Arevalo stop Jefferson Halfback Tom Mosely.

MACARTHUR RAPS MULES

The powerful MacArthur Brahmas romped to a 40 to 0 victory over the Alamo Heights Mules before 9,500 spectators at North East Stadium.

Graham Montgomery finds a big hole in the MacArthur line.

All four MacArthur backs joined in the scoring as the Brahmas took the lead in the first half 28 to 0. The Mules managed to stop the Brahmas on the Alamo Heights one on their only non-scoring drive in the first half with the help of Mac Sykes, Kent Lucas, and Tony Arevalo.

Alamo Heights threatened only once as they marched from their own 33 yard line to a first down on the MacArthur 23 yard line in the second period. This drive was highlighted by a 17 yard run by Steve Seiler, who was the Mules' top runner, with 35 yards on 9 carries. The valiant effort came in vain as Bill Forney intercepted a Duane Lardon pass to end the drive.

Lardon hit 4 of 10 passes for 42 yards.

The defeat left Heights with a 4 and 4 record for the season and a 1 and 2 record for district play.

LEE OVERCOMES MULES

31-20

Unable to shed their title of also-ran, the Alamo Heights Mules lost their third district game at the hands of Robert E. Lee High School.

teams scored a total of 51 points, which included eight touchdowns.

The Mules were the first to tally when, following a 33 yard jaunt by Steve Seiler, Duane Lardon heaved a 20 yard bomb to Tom Marchbanks in the end zone. The try for point was wide and, following a Lee touchdown, the Mules trailed 7 to 6 at half-time.

In the third period Alamo Heights again scored on a pass; this one to Greg Hansen was good for 24 yards. The drive covered 61 yards and the try for point failed.

The fourth quarter spelled defeat for the Mules. Although Lardon scored a touchdown and passed to Marchbanks for the two points, three Lee scores, totaling 18 points, put the Volunteers out of reach.

Nevertheless the Mules' pass defense sparked and allowed Lee only one complete pass for 15 yards.

BEARS DEFEAT MULES

Two thousand eight hundred thirty-two cold people watched the Alamo Heights Mules lose their season finale to Edison by the score of 28 to 0.

It seemed the Mules could do nothing right as

"Red Raiders" Stuart Vexler and Jimmy Longacre stop Edison's Terry McCarty.

they had only 82 yards of total offense while allowing the Bears 308 yards.

Heights made a threat in the first half when James Riley returned a punt 41 yards to the Edison 15 yard line. Duane Lardon chose to utilize the ground game, but four running plays netted only nine yards and ended the drive. The Bears' three scores came on drives of 51, 20, and 67 yards.

The Mules looked a lot better in the second half, allowing Edison only one score, but Heights' offense just couldn't seem to get rolling. The lone Bear touchdown in the second half came on a long pass, terminating a drive of 71 yards.

The defeat left the Mules with a 4 and 6 season record and 1 and 4 record in District play.

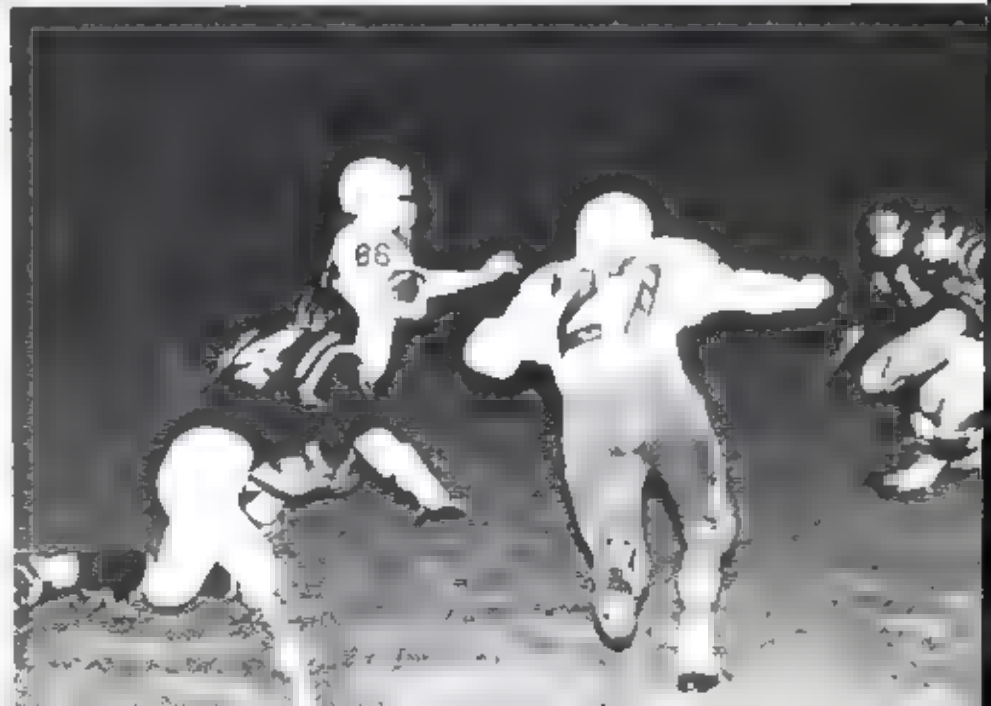

Tommy Marchbanks is shown with one of two passes he received for 35 yards.

MULES SPLIT OPENERS

The Mules opened the district season with a loss to the Highlands Owls, 57-49. The first quarter was rather hectic, as the lead changed hands six times, but the Mules led 12-10 at the stanza's end. Highlands, however, took the lead at the beginning of the second quarter and never relinquished it. When the Owls rolled up a 36-21 lead in the third period the game seemed to be on ice, but a valiant effort by Heights trimmed the lead to four points. The effort was fruitless, however, as Highlands maintained a six to eight point lead until the final buzzer. Dave Braymen led Mule scorers with 12 points followed by Rick Adkisson with 11; Bill Edwards, 10; Buff Waters, 7; Guy Jackson, 5; and Jack Rogers, 4.

Alamo Heights evened their district slate with a win over rival Thomas Jefferson in one of the most exciting games of the cage season. When the game was over, the score was tied 48-48. At the end of a three minute overtime it was deadlocked 49-49. A second period found the score again tied 51-51, and the fans were beginning to wonder. In the final period, however, Bill Edwards made a brilliant play. He tied the ball up from behind his opponent, thus constituting a jump ball. He tipped the ball to Rick Adkisson, who sank the winning points with three seconds remaining.

Jack Rogers initiates a play as he drives inside against Jefferson.

Rick Adkisson, 35, is in a typical position, outrebounding everyone else. "Rick the Moose," a 6'4" starter, was the Mules' top rebounder and he was invaluable in that department as well as scoring.

'OUCH'

Strongly contending for the district crown, the Lee Volunteers crushed Alamo Heights to the tune of 49-39. After a brief exchange of leads early in the game Lee took over for good, and led 12-7 at the end of the first quarter. Outscored 13-9 in the second period, the Mules trailed 25-16 at the half. The third quarter, however, was the worst for Heights, and they trailed 38-24 going into the final period. The Mules' final effort was stifled, and Lee had run off with a ten point victory. The scoring was as follows: Rick Adkisson 14; Mike Scholl 7; Buff Waters 6; Bill Edwards 4; Jack Rogers 4; Dave Braymen 2; Guy Jackson 2.

MULES BOUNCE MACARTHUR 55 47

Sam Reed's 17 point splurge was not enough to overcome the powerful Mules, as Alamo Heights won their second straight district game. Mac trailed the entire game and the halftime score was 25-14, as the Mules had allowed the Brahmas only three field goals. Rick Adkisson, Buff Waters, and Dave Braymen led the Mules with 14, 11 and 10 points respectively. Other scorers for Heights were Jack Rogers with 9, Bill Edwards 8, Terry Hight 2, and Mike Scholl 1.

Head and shoulders above everyone else, Mike Scholl flips in two points over the hand of Lee's Johnny Coles. Mike, a first string alternate, was noted for his quick and very accurate jump shot, as well as his ability to keep the team in good spirits.

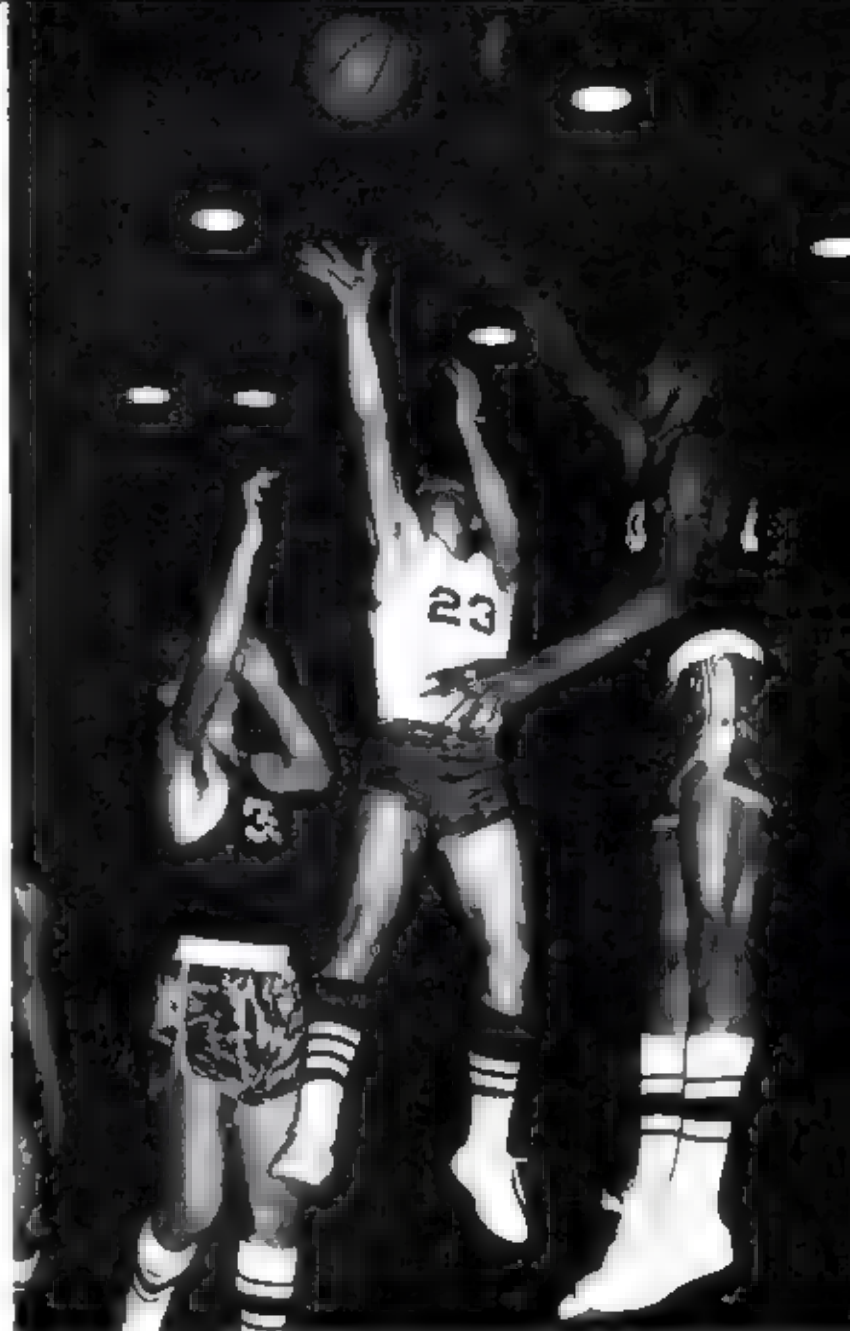

MULES DOWN BEARS

Defense and rebounding skill brought an easy victory to the Alamo Heights Mules as they clobbered the Edison Bears 60-43. The victory put the Mules in third place with a 3-2 record. Buff Waters paced the winners with 20 points and Rick Adkisson had 16 points and 16 rebounds. Heights nursed a fairly large lead throughout, but split the game wide open in the third period by abandoning their tight defense to go ahead 36-17. Bill Edwards and Guy Jackson had 10 and 9 points respectively; Greg Hansen had 2; Dave Braymen, Jack Rogers and Fred Warner had 1 each

OWLS TAG MULES

The powerful Highlands Owls beat Alamo Heights for the second straight time and left the Mules with a 3-3 district slate. Heights jumped to an early lead and led 23-13 at the end of the first quarter with David Braymen setting the torrid pace. Highlands bounced back, however, in the second quarter, and led 35-33 at the intermission. The Owls scored six quick points in the third quarter and put the Mules in a hole they could never get out of. It appeared the Mules might close the gap late in the game, but fouls put the damper on their chances, and Highlands ran off with a 61-54 victory. Dave Braymen led all scorers with 20 points; Bill Edwards had 11; Buff Waters 6, Rick Adkisson 5 and Mike Scholl, Jack Rogers, and Guy Jackson, 4 each.

Bill Edwards bobs and weaves between two Owls for this shot. A 5'10" guard, Bill was an all around player. He could handle the ball, play defense, and shoot well

Dave Braymen arches in a long jump shot against Highlands. Dave, a team leader, was one of the Mules' top scorers and an excellent rebounder as well

A CLEAN SWEEP

Linked with their football season win, the 51-49 and 47-44 cage victories gave the Alamo Heights Mules a clean sweep of Jefferson athletic-wise. The latter contest was another real battle, which found the Mules three point victors. The game was tied 23-23 at the half and Heights had managed only a one point lead, 38-37, at the three-quarter mark. Three technical fouls on Jefferson in the final period, however, gave the Mules a 41-37 lead, and although the Mustangs led 43-42 with 4:01 remaining, Heights wrapped it up. Rick Adkisson had 21 points, Buff Waters had 9, Dave Braymen 7, Bill Edwards 6, and Jack Rogers 4.

HEIGHTS 41 MAC 32

Alamo Heights upped their district record to 5 wins and 3 losses with an easy victory over the MacArthur Brahmas. Rick Adkisson again led all scorers with 13 points, but he was closely followed by Bill Edwards with a 10. The Mules, leading only 31-30 at the three-quarter mark, found the range in the final period and won going away. Other scorers for Alamo Heights were Buff Waters with 8, Dave Braymen 4, Guy Jackson 4, and Jack Rogers 2.

"Say, don't block my shot, man," says Greg Hansen as he vaults above St. Gerard's Pollock. Greg, who scored nine points in this game was an accurate outside shot and a fine rebounder

Jack Rogers makes two points with this off-balance lay-up. An all around player, Jack was especially known for his passing and playmaking ability.

Rick Adkisson, #35, tips in two points against Edison.

Above, Bill Edwards shoots a jump shot over the heads of four Mustangs. To the right, Buff Waters sinks a cryp-shot against Edison. Buff, an outside man, was a fine rebounder, as well as a great shot. Below, Dave Braymen draws a foul as he sinks a back-handed lay-up against Lee

LEE RAPS MULES

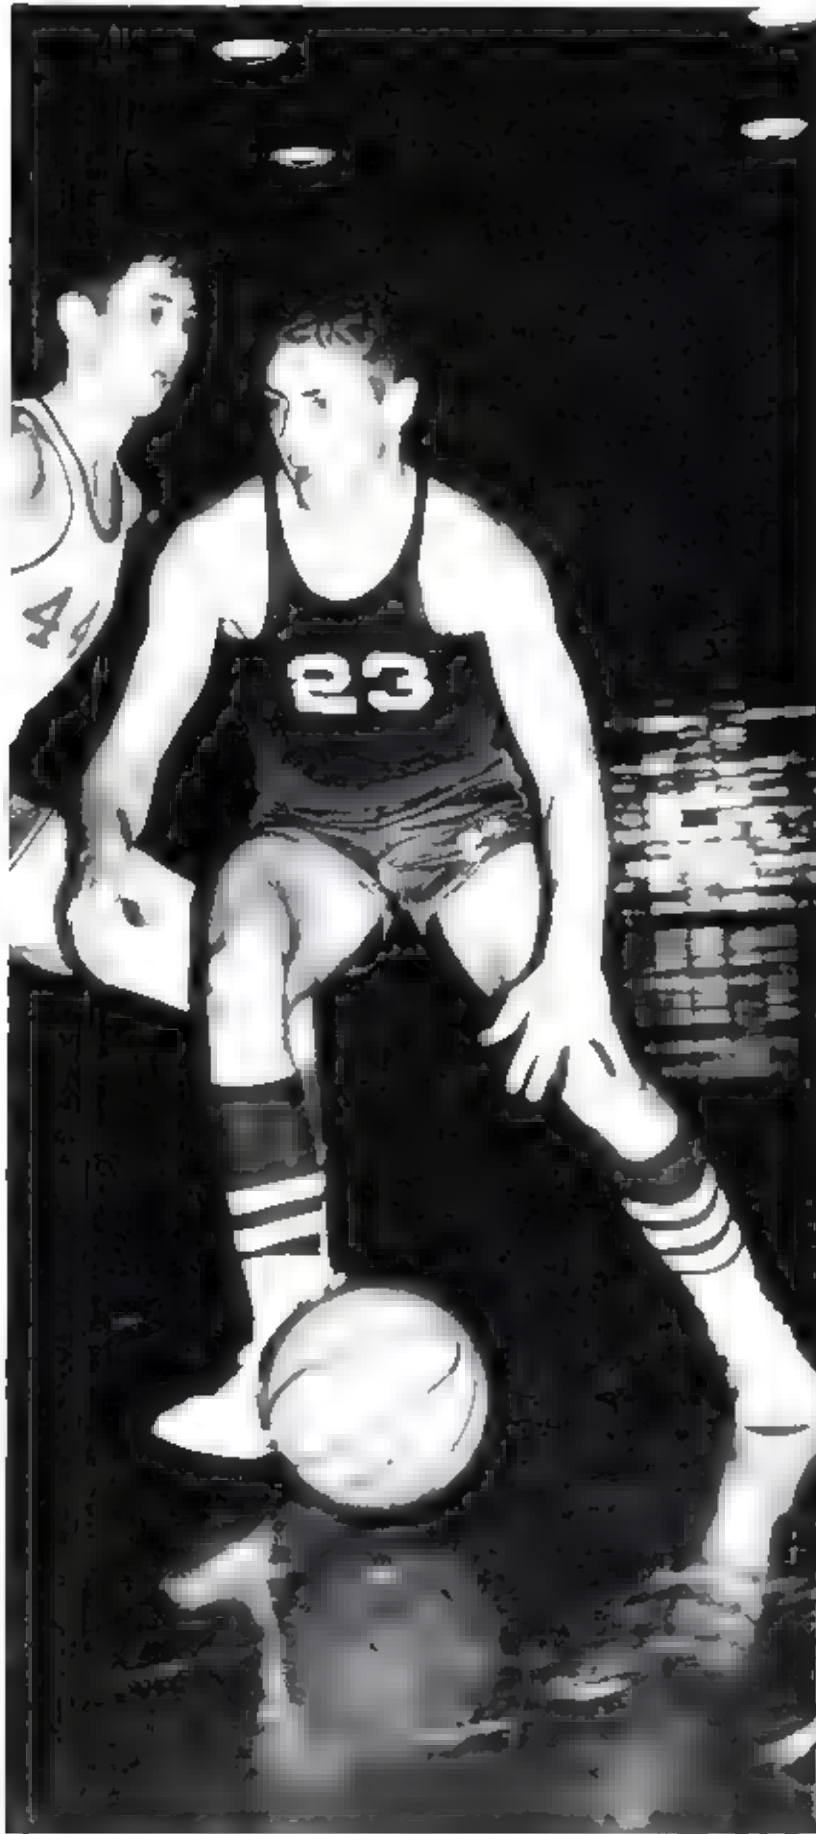

Alamo Heights lost a heart-breaking game to the Lee Volunteers for the second straight time by the score of 52-48. The Mules, playing their hearts out, led most of the first half, but had to settle for a 22-22 tie at the midway point. Lee, however, opened it up by scoring four quick points in the third quarter and it was Heights Swan song. The game ended with each team scoring 15 field goals, but the Volunteers had outscored the Mules at the foul line. The scoring was as follows: Dave Braymen 14, Bill Edwards 9, Rick Adkisson 9, Jack Rogers 8, Buff Waters 4, and Guy Jackson 4.

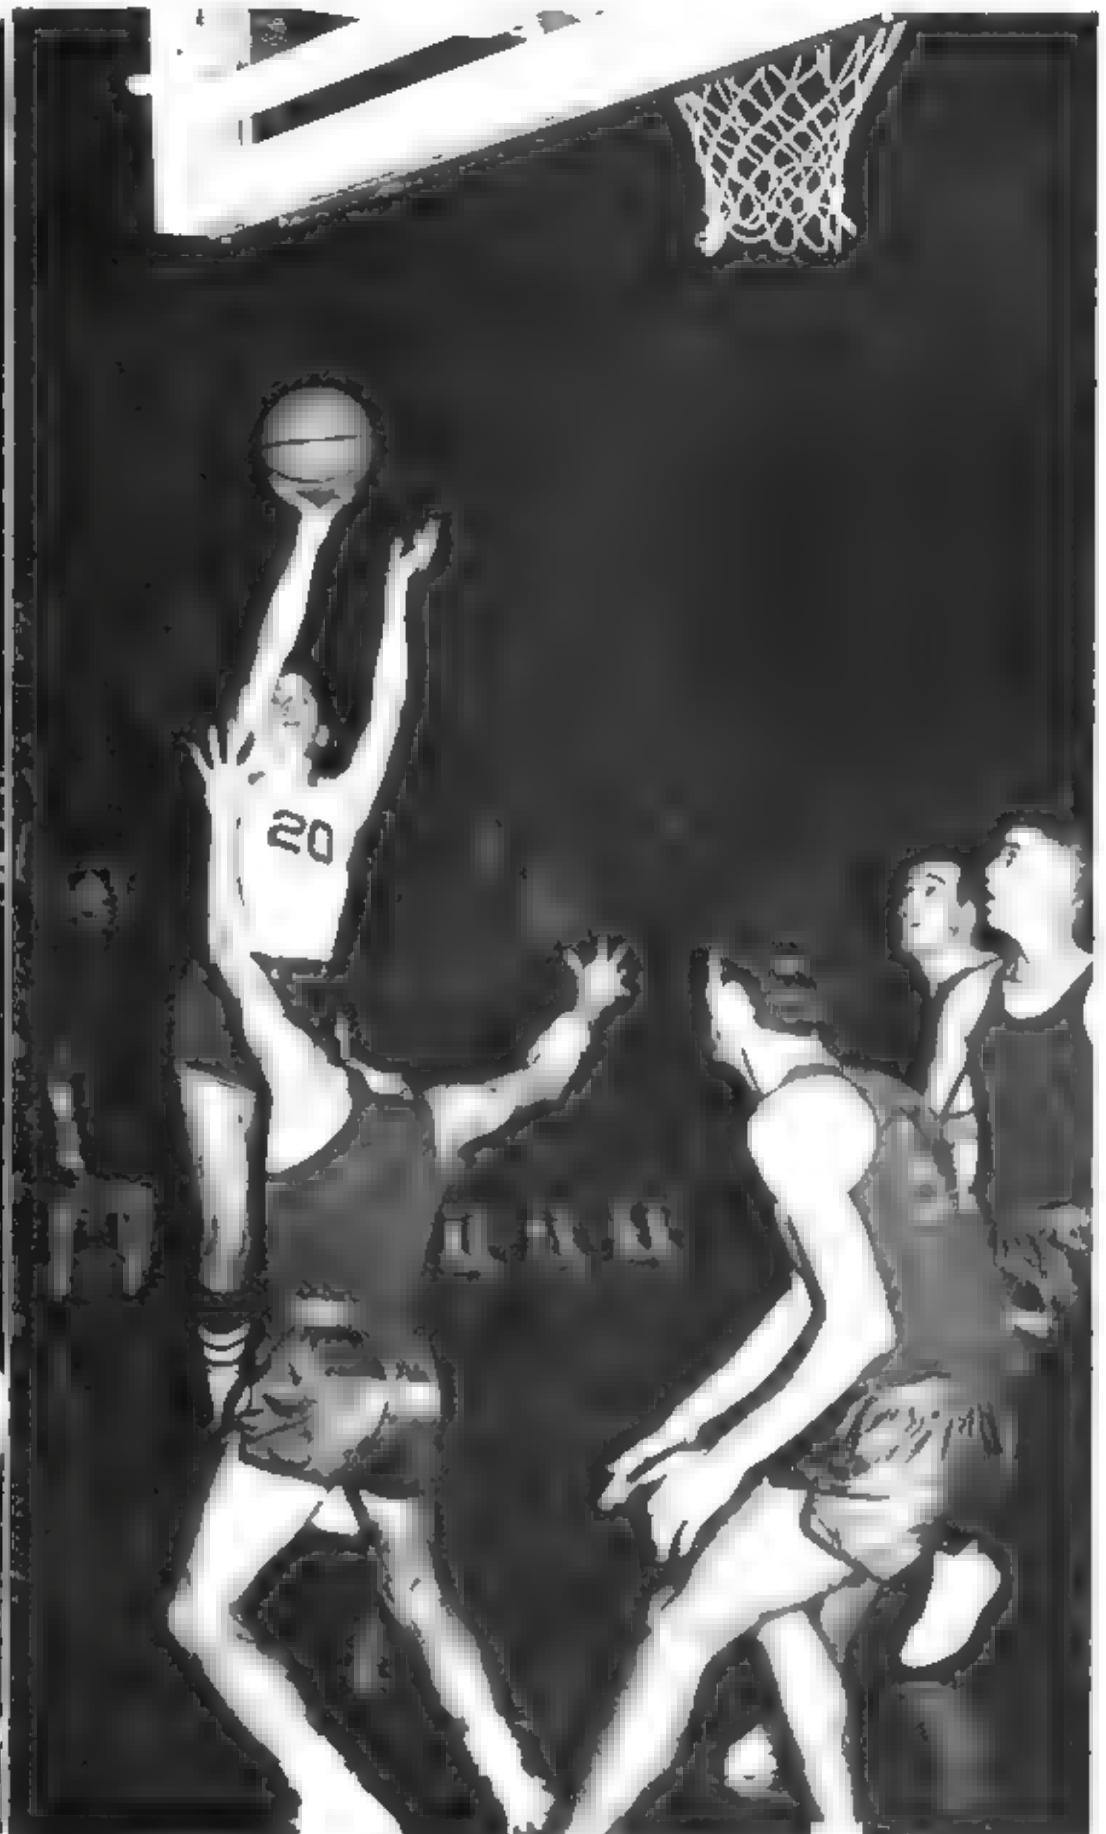

HEIGHTS DROPS FINAL

The Edison Bears upset Alamo Heights 54-51 and left the Mules with a final record of 5 wins and 5 losses for district play. The Mules led by as much as 10 points during the second quarter but by halftime, Edison had mustered a 28-27 lead. The first half was only the start of Heights' trouble. As the last half began, it seemed the Mules could do nothing right, and the lowly Bears ended by winning. Rick Adkisson had 10 points; Dave Braymen had 7; Buff Waters 8; Bill Edwards 6; Jack Rogers 12, and Guy Jackson 8.

OUR

PLACE

IN

THE

WORLD

OUR PLACE IN THE WORLD

is influenced by the happenings in the world around us. Each change of government, death of a great man, or meeting of nations influences us.

around the world

Tuesday, March 23, 1965, the third Gemini capsule went into orbit. Its christened name was the Molly Brown. In the capsule were two men—Virgil (Gus) Grissom, thirty-eight years of age, an Air Force Major and the first man to go into outer space twice—and John Young, thirty-four years of age, a Navy Lieutenant Commander. The two traveled a total of 81,000 miles in four hours and fifty-four minutes, coming down in the Atlantic Ocean at approximately 1:18 p.m.

The flight was especially important because it involved many "firsts" for the United States. These "firsts" were:

1. the first change of orbit in space (three times);
2. the first time for controlled re-entry;
3. the first use of Syncom 2, the communications satellite, to assist the flight, as Tiros weather satellites did in the past.

The war in Vietnam continues, with the United States taking an increasingly large part. Coup after coup has taken place, the unstable governments adding to the problems of the war between the North and South. At first, the United States provided only technical advice and equipment, but in March United States planes and pilots were used in air strikes against North Vietnam. Although negotiations continue, there is no end in sight to this war.

world conflicts

A bitter civil war, in which Greek and Turkish communities were the chief opponents, split the island of Cyprus. For a time, the disorders threatened to bring war between Greece and Turkey. Each determined to support the respective communities on the island. The controversy started when Archbishop Macarios decided to abrogate the treaty with Great Britain which was established when the island gained its independence. The fighting was aroused by proposed constitutional amendments which each side thought favored the other. A United Nations peace-keeping force was sent in to stop the fighting; although there continues to be occasional eruptions.

The bitter animosity between Indonesia and Malaysia continues. The formation of the federation of Malaysia, which includes Malaya and the former British colonies of Singapore, Sarawak, and Sabah, had been bitterly opposed by President Sukarno of Indonesia. A number of high level conferences have been held, but no solution reached. Much of the failure was directly related to the refusal of Sukarno to withdraw his guerrilla forces from Sabah and Sarawak. Malaysia took the position that there was no point in holding further talks with Indonesia while subversive and military actions continued. Great Britain continues to lend military support to Malaysia, and Australia and New Zealand also pledge military support if the conflict widened.

meeting of nations

The 1964 New York World's Fair, situated in Flushing Meadows, attracted people from all parts of the world wearing their natural attire and bringing delicious foreign foods. There were seventy-six nations represented, some of which were China, Afghanistan, and South America. The fair was divided into four sections and consisted mainly of exhibits from various countries and enterprises. The scientific section contained many fine buildings from the United States; some of these were the colossal General Motors displays, with ideas of the future, the General Electric exhibit that showed audiences new ways to cook food by electronic beams, and the mushroom I.B.M. building that seated 500 people and showed continuous movies about people and different facets of living. A favorite of recent visitors was the Vatican exhibit which had a model of St. Peter's Cathedral with Michelangelo's Pieta on the ceiling.

On October 10, 1964, the Olympic Flame entered the National Stadium in Tokyo, Japan, marking the beginning of the eighteenth modern Olympic Games. Japan, the first Asian-nation to hold the games, spent over \$2,000,000 preparing Olympic arenas, special housing, and transportation facilities. Fitting the pattern of all sports events in 1964, where the unexpected was normal, the Olympic games held many surprises. All 2,848 athletes from 94 countries who took part in the Olympic games responded with outstanding performances. During finals, semi-finals, and heats, a total of 25 world records were shattered and 52 out of 61 Olympic records were broken in track and field, swimming, and weightlifting. Russia led the overall total with 96 medals. The United States and Japan finished second and third, respectively.

Dr. Martin Luther King, a 35-year old Baptist minister, was awarded the 1964 Nobel Peace Prize. He was picked by a committee of the Norwegian Parliament and at the presentation the Nobel institute said, "Martin Luther King has consistently asserted the principle of nonviolence." Dr. King, head of Southern Christian Leadership Conference, has stated that the \$54,000 awarded by the prize will go to bolster his civil rights crusade in the South. On receiving the award Dr. King replied, "I do not consider this merely an honor to me personally, but a tribute to the discipline, wise restraint and majestic courage of the millions of gallant negroes and white persons."

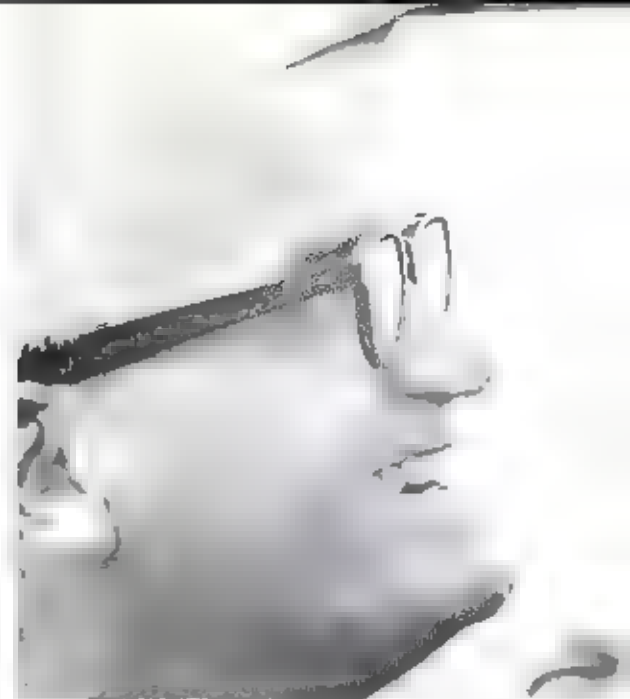

the fight for civil rights

Malcolm X, the shrillest voice for black supremacy, was murdered on the stage of a Manhattan auditorium with a half dozen or more gunshot wounds taking his life. Malcolm broke with the Black Muslims a year ago and at that time predicted Elijah Muhammad was out to get him. The residents of Harlem, however, were shocked to discover that Malcolm had not been killed by a white but by a member of their own race. Elijah Muhammad denied having any part in the murder.

The news this year has been dominated by the election of President Lyndon B. Johnson over his Republican opponent, Senator Barry Goldwater. This election was more than merely a competition between two men or two parties. The people had an opportunity

to decide the proper relationship between individuals and the State; between states and the central government; between the nation, its allies and its adversaries. Although both sides favored racial equality and full employment, they differed on how to achieve their aims. Whereas Johnson advocated federal action to assure Negroes civil rights, Goldwater felt civil rights should be left to the judgment of the states. Senator Goldwater made an ideological appeal to the people. Johnson, however, avoided an ideological discussion whenever possible. His appeals were made to all classes, all parties, all religions. At the polls, the American people decided in favor of Johnson giving him 61% of the popular vote.

Johnson, Wilson in office

Since squeaking into power five months ago, Harold Wilson has had his hands full trying to maintain power in the government with his slim five-vote majority. Gone are his visions of renationalizing the steel industry, of purchasing all urban land, and of modernizing Britain. These visions have been replaced by a strict middle of the road policy which is intended to keep everyone happy and himself employed. Yet even with this middle of the road policy the Labor Party is still encountering obstacles which may eventually topple their already shaky foundation. As curious as it may seem, while his party is gradually losing its lead over the Conservatives, Wilson's personal popularity is increasing.

On July 5, 1964, Mexico went to the polls to select a new president. Three parties ran candidates, and Gustavo Diaz Ordaz, of the Revolutionary Party as was his predecessor Lopez Mateos, was elected. The election result was no surprise to the Mexican people, for Ordaz was heavily favored. The Revolutionary Party has been in power for many years and there are no serious complaints against it. Ordaz is expected to continue the same governmental policies as his predecessor.

Mexico, Russia have new leaders

Until October 13, 1964, Nikita Khrushchev had but few doubts about his future as supreme head of the Soviet system. Surrounded by men of his own choice he seemed to be secure from all threats. No man could have been more surprised by his downfall than Khrushchev himself. The reasons for his downfall are numerous and run from nepotism to "humiliation in Cuba" to the break with Red China. The most prominent reason, however, was that Khrushchev grew old. As he aged, flaws in his character became more pronounced, causing his underlings to boil inwardly as he overruled and insulted them.

At the present time, the future lies in the hands of Leonid Brezhnev and Aleksei Kosygin, two of Khrushchev's former proteges. Both are extremely able, and like most dedicated Communists, our adversaries. The beliefs of the new leaders themselves are unimportant, for the real danger lies in the policies which are supported by the state itself.

This year saw the death of one of the greatest leaders of all time. Sir Winston Churchill, who died at the age of ninety, is credited with snatching victory from defeat for the United Kingdom in World War II. The entire world mourned the passing of this statesman who was loved and honored by all its peoples. He died the first week in February and his funeral drew an assemblage of great statesmen almost without parallel. His remains rest in the yard of the parish church of Bladon.

great men pass

Herbert Hoover went to the White House in 1928 with a reputation as a great humanitarian and an idealist, elected President by one of the largest popular majorities in history. Four years later he left the office branded by his successor as a reactionary who was coldly indifferent to the suffering of his countrymen. During the last few years of his life he was involved in many worthy projects. Hoover served under four Presidents in the course of his lifetime: Roosevelt, Truman, Eisenhower, and Kennedy, as well as being a President himself. He also served in the cabinets of Harding and Coolidge. This great man's life came to an end abruptly in 1964 ninety years after it had begun in 1874.

a report, a refusal

On November 29, 1963, Lyndon Johnson issued executive order No. 11,130, setting up a commission, headed by chief Justice Earl Warren, to investigate every aspect of the assassination of John F Kennedy. In late September, 1964, the commission made its report. The commission concluded that the shots which killed President Kennedy were fired by Lee Harvey Oswald, who acted on his own and was part of no conspiracy, nor was there any previous connection between Jack Ruby and Oswald. Although it does little to remove the taint from Dallas, the report stated that there is "no evidence that the extreme views expressed toward President Kennedy by some right-wing groups centered in Dallas or any other general atmosphere of hate or right-wing extremism which may have existed in the city of Dallas had any connection with Oswald's actions on November 22 "

Jean Paul Sartre, a 59 year old Frenchman, refused the 1964 Nobel Prize for Literature on the basis of his strong belief in existentialism. He has urged man not to depend on a God but to choose between good and evil according to their unaided conscience, and states that "Human freedom is a curse, but that curse is the unique source of the nobility." Sartre has undertaken the formidable task of building a philosophic system which would give human life meaning and coherence, based on the philosophy that the existence of man is absurd. The publicity caused by his refusal of the Nobel Prize brought the existentialist doctrines to the attention of the world, providing new areas of thought for the inquiring mind.
